

why i am apathetic about elders in baptist churches sbc - *dave i appreciate your concern that elders are not a magic bullet for church health but i think you ve over stated your case if your only problem is that churches with elders have been real messes then welcome to church done by sinful people in a sinful world, president elect j d greear s congregation finally* - *the third question some of you just asked is since when did we become southern baptists i get that that s something we don t really wear on our sleeve here*
